**South Down Boat Club
Extended Taxi Service Hours
2019**

On select dates in 2019, mooring taxi service will be provided in the evening between 7 PM and 11 PM demand and weather permitting. When this service is provided, Boat Slips 1 – 10 will be used only for passenger drop off. After the Member has discharged all passengers at the dock, the Dock Master will direct the Member to an appropriate mooring, assist him in attaching the boat, and return the Member to the dock. **The forklift will not be operating during these hours and all returning boats will be placed on a mooring.**
